

Personal Information				
Given Name	Gap Soo	Surname	CHANG	
Organization	University of Saskatchewan			
Position	Professor	Nationality	Korea (Permanent Resident in Canada)	
Field of Expertise	Graphene electronics, Advanced organic semiconductors			
Title of Presentation	Band-Engineered Graphene for Carbon-based Semiconductor Electronics			
Education				
<p>1994 03 – 1998 08: Ph.D. in Experimental Condensed Matter Physics, Yonsei University, Seoul, Korea</p> <p>1992 03 – 1994 02: M.Sc. in Surface Physics, Yonsei University, Seoul, Korea</p> <p>1982 03 – 1992 02: B.Sc. in Physics, Yonsei University, Seoul, Korea</p>				
Professional Experience				
<p>2016 07 – Present: President, Association of Korean-Canadian Scientists and Engineers</p> <p>2015 09 – Present: Professor (Tenured), University of Saskatchewan, Saskatoon, SK, Canada</p> <p>2012 01 – 2016 06: Vice-President & President-Elect, Association of Korean-Canadian Scientists and Engineers</p> <p>2015 12 – 2016 03: Specially Appointed Professor, Osaka University, , Saskatoon, SK, Canada</p> <p>2011 07 – 2015 06: Regional Councilor for Saskatchewan/Manitoba, Canadian Association of Physicists</p> <p>2010 07 – 2015 06: Associate Professor (Tenured), University of Saskatchewan</p> <p>2003 07 – 2010 06: Assistant Professor, University of Saskatchewan, Saskatoon, SK, Canada</p> <p>2001 04 – 2003 06: Chief Technical Officer, PNT Technology Inc., Seoul, Korea</p> <p>2001 04 – 2003 06: Postdoctoral Research Associate, Univ. of Tennessee, Knoxville, TN, USA</p> <p>1998 09 – 2001 03: Research Professor and Postdoctoral Research Fellow, Atomic-scale Surface Science Research Center (ASSRC), Seoul, Korea</p>
