

Personal Information				
Given Name	Gwi-Nam	Surname	Bae	
Organization	Korea Institute of Science and Technology			
Position	Principal Scientist	Nationality	South Korea	
Field of Expertise	Aerosol measurement and control technology			
Title of Presentation	Fine particle pollution in Northeast Asia			
Education				
<p>1981-1985: Department of Aeronautical Engineering, Seoul National University, Korea (B.Sc.) 1985-1987: Department of Mechanical Engineering, Korea Advanced Institute of Science and Technology, Korea (M.Sc.) 1990-1994: Department of Aerospace Engineering, Korea Advanced Institute of Science and Technology, Korea (Ph.D.) 1996-1997: Particle Technology Laboratory, Department of Mechanical Engineering, University of Minnesota, USA (Post-Doc.)</p>				
Professional Experience				
<p>1987-1997: Division of Mechatronics, Korea Institute of Science and Technology, Korea 1997-now: Center for Environment, Health and Welfare, Korea Institute of Science and Technology, Korea 2005-now: Adjunct Professor, Department of Energy and Environmental Engineering, University of Science and Technology, Korea 2010-now: Adjunct Professor, Green School, Korea University, Korea 2016-now: Adjunct Professor, Kookmin University, Korea</p> <p>2016-now: President, Korean Society for Indoor Environment, Korea 2015-now: Auditor, Korean Association for Particle and Aerosol Research, Korea 2014-now: Member, National Academy of Engineering of Korea, Korea 2016-now: Member, Academy of Fellows, International Society for Indoor Air Quality and Climate</p> <p>2009-2014: PI, Converging Research Center for Indoor Air Cleaning, National Project, Korea 2017-now: Director, Center for Fine Particles, National Strategy Project, Korea</p>
