

Personal Information				
Given Name	Kong-Joo	Surname	Lee	
Organization	Ewha Womans University			
Position	Professor	Nationality	Republic of Korea	
Field of Expertise	Proteomics, Biochemistry			
Title of Presentation	Active role of Korean women scientists and engineers in international society			
Education				
1973 - 1977 B.S. College of Pharmacy, Ewha Womans University				
1977 - 1979 M.S. Department of Biotechnology, Korea Advanced Institute of Science and Technology (KAIST)				
1980 - 1986 Ph.D. Department of Chemistry (Biophysical Chemistry), Stanford University, CA, USA				
Professional Experience				
Scientific Experience				
1986 - 1988 Stanford Medical School, Postdoctoral Fellow in Cancer Biology Program, CA, USA				
1989 - 1994 Senior Scientist, Korea Research Institute of Standards and Science, Division of Chemical Analysis				
1994 - present Professor, Chair Professor, Ewha Womans University, College of Pharmacy				
2006 - 2013 Director, National Core Research Center for Cell Signaling and Drug Discovery Research				
2012 - present Director, Global Research Laboratory				
Other Experience				
2001 - 2006 Editorial board member in Molecular & Cellular Proteomics, ASBMB (American Society of Biochemistry and Molecular Biology)				
2005 - 2007 President, The Association of Korean Woman Scientists and Engineers (KWSE)				
2010 - 2014 Dean of Graduate School, Ewha Womans University				
2011 - 2017 President, International Network of Women Engineers and Scientists (INWES)
