

Personal Information				
Given Name	So-Jung	Surname	Park	
Organization	Ewha Womans University, Department of Chemistry and Nanoscience			
Position	Professor	Nationality	Korea	
Field of Expertise	Nanoscale materials chemistry			
Title of Presentation	DNA-based Self-Assembly for Dynamic Nanostructures			
Education				
Ph.D	Materials Chemistry	Northwestern University, Evanston, IL, Dec. 2002		
M.S.	Solid State Chemistry	Ewha Womans University, Korea, Feb. 1996		
B.S.	Chemistry	Ewha Womans University, Korea, Feb. 1994		
Professional Experience				
Appointments				
2013-present	Professor, Department of Chemistry and Nanoscience, Ewha Womans University			
2012-2013	Associate Professor, Department of Chemistry, University of Pennsylvania			
2005-2012	Assistant Professor, Department of Chemistry, University of Pennsylvania			
2002-2005	Postdoctoral Fellow, University of Texas at Austin			
1996-1998	Research Scientist, Korea Institute of Science and Technology			
Professional Activities				
2016-present	Advisory Board Member, <i>Nanoscale</i>			
2015-present	Associate Editor, <i>ACS Applied Materials and Interfaces</i>
