

Personal Information				
First Name	Yoon	Last Name	Park	
Organization	Korea Institute of Science and Technology			
Position	Senior member	Nationality	South Korea	
Field of Expertise	T cell Immunology			
Title of Presentation	TIGIT family receptors : from molecular mechanisms to clinical applications			
Education				
<p>Yonsei University, Seoul, South Korea</p> <p>2008 Ph.D. in Biochemistry</p> <p>2004 M.S. in Biochemistry</p> <p>2002 B.S. in Biochemistry</p>				
Professional Experience				
1.	2016-2018	Senior Research Investigator – T cell Immunotherapy Bristol-Myers Squibb, Redwood city, CA		
2.	2015-2016	Senior Scientist – CAR-T cell therapy Pfizer, South San Francisco, CA		
3.	2014-2015	Instructor La Jolla Institute for Immunology, La Jolla, CA		
4.	2009-2014	Postdoctoral fellow La Jolla Institute for Immunology, La Jolla, CA
