

Personal Information							
First Name	Jihye	Last Name	Gwak				
Organization	Korea Institute of Energy Research (KIER)						
Position	Director	Nationality	Korean				
Field of Expertise	Renewable Energy						
							
				Education			
				1992 – 1996	B.S. Chemistry	Ewha Womans University	
				1996 – 1998	M.S. Physical Chemistry	Ewha Womans University	
2000 – 2003	Ph.D. Materials	Université Montpellier II					
Professional Experience							
1998 – 2000	Researcher, Samsung Advanced Institute of Technology (SAIT)						
2000 – 2003	Student Researcher (French Foreign Ministry Scholarship Student), Institute Européen des Membranes (IEM-CNRS-UMII)						
2003 – 2005	JSPS Postdoctoral fellow, National Institute for Materials Science (NIMS)						
2005 – 2012	Senior Researcher, Korea Institute of Energy Research (KIER)						
2012 – present	Principal Researcher, KIER						
2016 – present	Professor, University of Science and Technology (UST)						
2017 – 2020	Chief in Photovoltaics Laboratory, KIER						
2020 – present	Director of Renewable Energy Institute, KIER						
2010 – present	Committee Member, The Association of Korean Woman Scientists & Engineers (KWSE)						
2017 – present	Committee Member, The Korea Photovoltaics Society (KPVS)						
2020 – present	Vice President, The Korean Society for New and Renewable Energy (KSNRE)
